Municipality of Stara Pazova is located in the very South of Vojvodina plain in Serbia, holding a favorable position – 30 km from the capital Belgrade, and 40 km from Novi Sad. All major traffic routes in the region go through the municipality of Stara Pazova: highways E-75 and E-70, main road M-22 and railroad line E-80 (Budapest-Belgrade-Skopje-Thessaloniki), connecting the municipality with EU countries, as well as Montenegro, BiH and Macedonia in the region. International airport Nikola Tesla is only 15 km away while military airport Batajnica, future cargo airport is just 8 away. European river Corridor X, the Danube, flows alongside eastern border of the municipality. With the largest university centers in close proximity (Belgrade and Novi Sad), the municipality can offer educated staff to all industries. For decades, Stara Pazova has been known for its developed private entrepreneurship. The most important sectors are metal-processing, metal, wood-processing, construction, rubber and plastics industry. Major foreign investors are Nestle, Mercedes-Benz, Volvo, Muehlbauer, Husqvarna. New investors are offered fully equipped locations – 9,895 m<sup>2</sup> in the business zone Volarsko polje and more than 20 ha in Central industrial zone, local incentives and support.
